GILBERT  
PARKS AND RECREATION  
FOUNDATION  
Night in the Park

PRESENTED BY  HAYDON

Dear Community Partner,

The Gilbert Parks and Recreation Foundation (GPRF) announces our annual fundraising event, a “Night in the Park” the 2019 Lakeside Luau. This year’s event will take place on Saturday, October 19<sup>th</sup>, 2019, from 6:00 to 9:00pm, at 50 E. Civic Center Drive, Gilbert, AZ. We are expecting over 250 people to attend, including local business leaders, construction industry executives, and community officials.

GPRF is a recognized non-profit, 501(c)(3). We raise funds through grants and our community events. All funds go directly to toward providing opportunities for Gilbert children to participate in recreation programs offered through the Town of Gilberts Parks and Recreation Department, which they otherwise could not afford. In less than three short years, we have already provided over \$45,000 to sponsor needy youth in our community. Our efforts have allowed us to raise over \$37,000 for local kids to apply for and receive scholarship assistance through the Gilbert Assistance Program (GAP). We have donated an additional \$15,000 to fund drowning prevention classes and swimming lessons.

The Luau is sponsored each year by community partners such as you. This sponsorship packet details opportunities of how you can be a part of this extraordinary evening. Packages begin as low as \$250. You can also show your support of the Foundation with a donation of a raffle item, a gift card or a monetary contribution. All donors will receive recognition in the event program and the satisfaction of knowing you are helping to fund recreation projects in Gilbert and ensures that our community has the chance to continue to enjoy our incredible parks.

Please feel free to contact us with any questions. Our Board Liaison, Jennifer Lauria can be reached at [jennifer.lauria@gilbertaz.gov](mailto:jennifer.lauria@gilbertaz.gov) or 480-503-6234.

Sincerely,  
The Gilbert Parks and Recreation Foundation  
Board of Directors
